

COMBAT HELMET PAD SYSTEM

**IF IT'S NOT COMFORTABLE™
IT'S YOUR OWN DAMN FAULT**

The EPIC™ Helmet Pad System combines the state-of-the-art protection you expect from Team Wendy™ products with the comfort you deserve. With a fixed protection layer and movable comfort pads, you can design the best helmet for your head size and shape. EPIC™ incorporates the same Team Wendy™ ZorbiuM® foam found in the only helmet pads approved for use in both the US Army Advanced Combat Helmet and the US Marine Corps Lightweight Helmet. Visit www.teamwendy.com/EPIC for more information.

With EPIC™, we'll handle the protection, you handle the comfort.

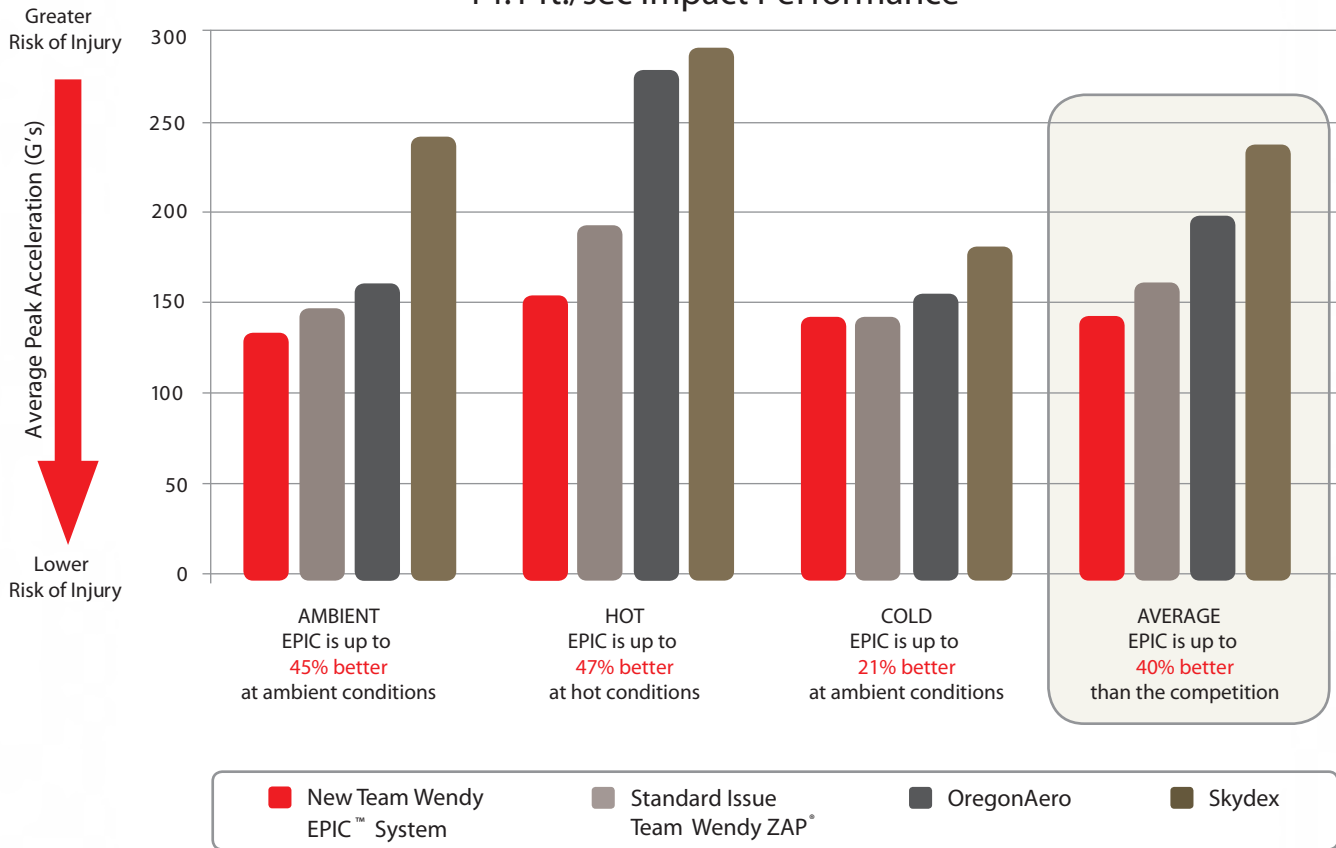

**ZORBIUM®
FOAM**

WE OUTPERFORM THE REST

Team Wendy Systems Outperform the Competition 14.1 ft./sec Impact Performance
